Brethren,

We are hosting the Grand Master's visitation for the Central Masonic District, please come out and welcome our Grand Master.

We are opening a little earlier to provide time for Master Mason proficiency on two Brothers and to vote on two applications for the degrees of Masonry, and to vote on the stipends for the Treasurer and Secretary. The program for the evening is a presentation entitled The History of Sherlock Homes. Looking forward into

December we are planning the regular communication for December on the 16th in the morning with breakfast. We will be conferring the Entered Apprentice degree in the morning and in the evening will be our annual Christmas party at the Coventry Men's Club.

Building

By Silas H. Shepherd

Do you try to conquer error,
And to live the life ordained?
Do you banish selfish wishes,
As in higher spheres attained?

Do you try to practice virtue
For its own dear sake alone,
And not set the double standard
But judge others by your own?

Do you try to make life brighter
By your sunny smiles and cheers,
And develop joy and gladness
As you grow in Light and years?

Do you square your every action
By the square the Master used
And build a noble mansion
In this body you've abused?

If you live a life of effort
The result can never fail
To develop power and glory
Ere you end this earthly trail.
