Masters Message

Brethren,
During the February meeting our Entered Apprentice completed their proficiency and for those who attended can attest to a fine job. Thanks to Brother Earl for the effort put forth in training the candidates to get them to this point. The February meeting was also our District Deputy visitation along with a distinguished suite of officers. There was very informative and interesting program of the evening on

local history put on by Rhode Island author and historian Robert A. Geake. Looking forward to our March meeting we will be conferring the Fellowcraft degree on our two new Brothers. We still have 20 week tickets available please contact me or any officer.

Good Fellowship

By Wilbur D. Nesbit

**Ho, Brother, it's the handclasp and the good word and the smile
That does the most and helps the most to make the world worthwhile!
It's all of us together, or it's only you and I —
A ringing song of friendship, and the heart beats high
A ringing song of friendship, and a word or two of cheer!
Then all the world is gladder and the bending shy is clear!**

**It's you and I together — and we're brothers one and all
When even thorough good fellowship we hear the subtle call,
Whenever in the ruck of things we feel the helping hand
or see the deeper glow that none but we may understand —
Then all the world is good to us and all is worth the while
Ho, brother, it's the handclasp and the good word and the smile!**
