Masters Message

Brethren,

Alas, this will be my last master's message for the year. My year has gone by in a flash. I want to personally thank everyone who has contributed to what I believe has been a very good year for the lodge. I am eternally grateful for your support. I would also like to congratulate our line of officers, elected and appointed for the coming year and I wish the best for our incoming Master Br Richard Buckley, Jr. and look forward to working with him in the coming months.

On September 9th we held a Special Communication to vote on the Ionic Lodge By-law changes and confer the

Master Masons degree for our 2 Fellow Craft. The By-law changes were approved by 2/3 members present and have been forwarded to the Grand Lodge for its approval. Thank you to my line of officers for their hard worked and dedication on the degree. It was a fine performance we should all be proud of. Please join me in congratulating our newest Master Masons, Fred Curtis and Bill McClinton. We look forward to you finishing your proficiency and becoming our newest members soon.

Special notes R.:W.: Carlton R. Wood is currently a trustee of the Lodge, he is vacating this position and a replacement will be required to be nominated and voted upon for one year and W.: Kevin Williams will also be needed to be voted on for a three year term.
